

The online conference:

**"Polish, Norwegian or both: attempts at large-scale studies on
language and cognitive development.
Findings and challenges"**

is a closing conference for the [PolkaNorski](#) project.

The conference aims to bring together researchers and professionals studying and working with linguistic and psycholinguistic aspects of the mono- and bilingual upbringing of Polish, Norwegian and Polish-Norwegian children living with their families in Norway. The PolkaNorski team will present the results of their five core studies and two external experts will share their knowledge as well. The conference will provide a virtual space for discussing relevant theoretical and practical issues.

TIME: Thursday, 14.03.2024; 10.00 am - 4.30 pm (CET)

DEADLINE FOR REGISTRATION: 7th of March 2024. Please register [here](#).

The full programme of the conference will be available soon.

The language of the conference is English.

This form is gathering e-mail addresses to enable sending you the link to the online event (on ZOOM platform). By filling in this form you agree to process your personal data to organise the conference, the clause on personal data processing of a participant can be found [here](#)
